Dinner To Benefit Starr Family

A benefit dinner on behalf of the Greg & Cheryl Lozon Starr family, who lost their home in a fire February 6th, will be held at the Moose Lodge on Saturday, February 23rd from 5:00 p.m. to 7:00 p.m. Cost for the meat loaf and salad bar dinner is \$2.50 for adults and \$1.25 for children under 12.

The Moose Lodge is located on 305 Peninsular St.

Rotary Minstrel Postponed

Once again it has been necessary to change the date of the Grayling Rotary Minstrel program from its early March show time to March 20-21.

Mike Fleming, Minstrel Show director, explained that the original dates of March 6 and 7 conflicted with district basketball contests. He pointed out that many of the show's performers also have administrative responsibilities for the games. He noted too that many of the Rotary members and the prospective audiences attend the Grayling Viking games and would not want to miss a playoff this year.

Fleming said that the Roaring Twenties Show will be well worth the wait since skits, songs and the band are shaping up nicely for a rousing evening.

Cong. Davis at Breakfast Meeting

A group of 25 early-risers were on hand at Grayling's Holiday Inn Monday morning to meet with Robert Davis, U.S. Congressman from Michigan's 11th District.

Davis, in Grayling for the meeting of Northern Michigan Counties, discussed such governmental matters as AMSCAM, military registration and the draft, energy, and wage and price controls.

He also touched on Indian gill fishing rights in Michigan, environmental controls and the national debt before fielding questions from members of the audience.

Band Festival at Traverse City

Once again the Grayling High School Band will travel to Traverse City to take part in the District Band and Orchestra Festival. The band will play three numbers plus do some sight reading. The concert portion will feature "High School Cadets" by Sousa, "Burlesk for Band" by Washburn, and "Belmont Overture" by Hermann.

Performance time for the Grayling Band is scheduled for 5:25 p.m. this Saturday, February 23rd at the Lars Hockstead Auditorium, Central Grade School. The Grayling public is encouraged to attend. Other bands from northern Michigan will play as well.

Grayling Elementary Kindergarten Round-Up

The Grayling Elementary Kindergarten Round-Up will be held during the week of March 3rd for all children who will be 5 years of age on or before December 1, 1980. The dates March 3, 4, 6, and 7 have been set aside for Round-Up of our 1980-81 kindergarten children. Registration of children will be handled between the hours of 9:00 to 12:00 and 1:00 to 3:00 by appointment only. To schedule your appointment please call the school office (348-7641, ext. 46).

Please bring all immunization records and your child's birth certificate with you at the time of enrollment. During your fifteen minute scheduled appointment you will have the individual attention of Mrs. Sloan, our school nurse, to check your child's immunization records and discuss

pre-school medical requirements. Mr. Nunn, school principal, will be available to discuss State pre-school requirements and school policies. Early enrollment of Kindergarten children is extremely important if they are to be included in the pre-school clinics scheduled for this spring. Completion of State requirements can be easily accomplished before school begins in September by allowing us to assist you with appointments for the necessary immunizations, physical exam, and vision and hearing screening.

Please plan to contact the school regarding registration of your pre-schooler as soon as possible. We would appreciate your cooperation and will do everything possible to assist you in preparing your child for school.

County Gets \$18,309 "Snowfall" Payment

Forty-eight of Michigan's 83 counties recorded more than 80 inches of snow during the 1979-80 winter, qualifying them for annual snow-removal assistance payments from state and local taxes.

According to the Michigan Department of Transportation (MDOT), Crawford County with 98 inches of snowfall qualified for a \$18,309 payment.

The MDOT reports that the 48 counties will share \$2,014,582, compared to \$1,980,289 paid a

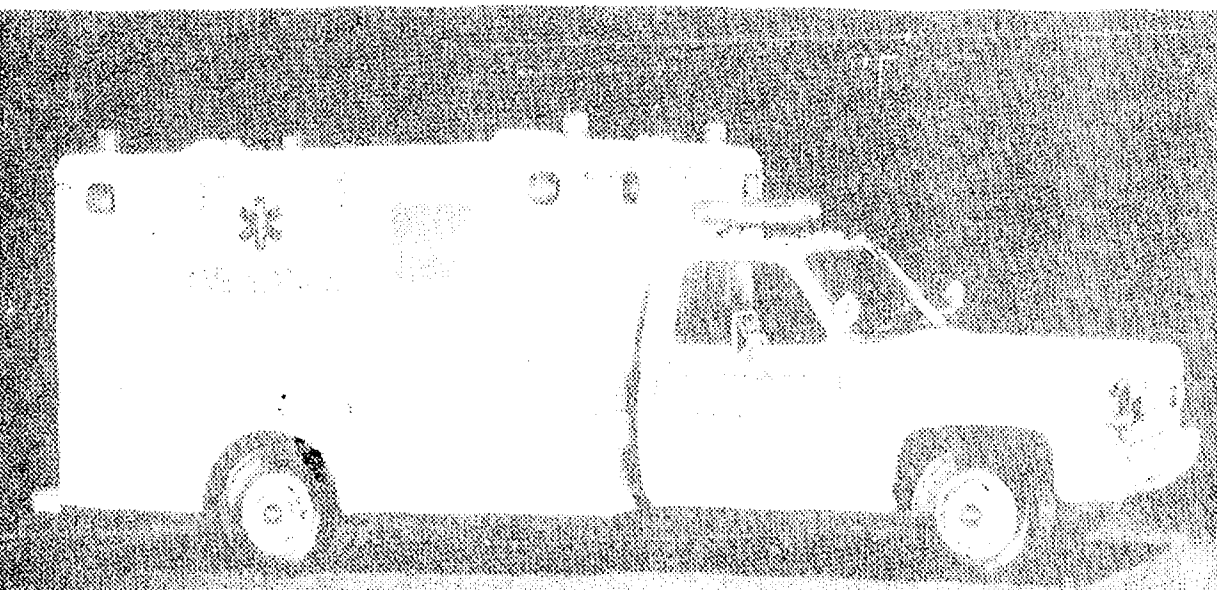

year ago to 45 qualifying counties.

Amount of payments is determined by a formula established by the Legislature, based on accumulated snowfall depth and the number of miles of county roads.

Neighboring counties, their snowfall, and the amount of payment received include Kalkaska, 130 inches, \$60,486; Roscommon, 80 inches, \$48,486; Otsego, 126 inches, \$57,267.

New Ambulance on Display Saturday!

REACH GOAL!—The community effort to raise funds to purchase a much-needed new county ambulance reached its goal Saturday night when the benefit basketball game between the Ambulance Corpsmen and the Channel TV 9 & 10 "Super Stars" netted over \$2,000 pushing contributions over the \$35,000 mark.

Over 1000 fans turned out to watch the contest, arranged by ambulance corpsmen Jim Gray and the other corps members, as the local contingent outran the "Super Stars", 57-48.

The Booster Club Benefit Dinner February 9th raised \$1,000 and pushed the drive close to the goal established in mid-November when the community appeal began. Mrs. Gloria Kraus, Chairperson for the 3-month effort, said the ambulance will be delivered this Friday. An OPEN HOUSE for the general public will be held this Saturday, February 23rd, from 1:00 p.m. to 3:00 p.m. at the County Court House where the vehicle will be on display. Her reaction Monday? "Thanks, Crawford County-You did it!!!", she said.

Eight Vike Matmen Qualify For Regionals

By Joe Schrader

Eight of thirteen Viking wrestlers who competed in the State District Tournament held Saturday in Pine River have qualified to advance to the Regionals scheduled for this coming Saturday in Grant, near Grand Rapids.

G.H.S. Athletic Director Mike Branch said the Viking group did a "super" job on Saturday,

M.O.D. Mothers' March 16-22

The annual March of Dimes Mothers' March will be held from March 16th through March 22nd, 1980. The "Kick-Off" for this event will be held in the North Wing of Mercy Hospital on Monday, March 10th at 7:00 p.m. If you were a "Marching Mother" in 1979 you will be receiving a phone call very soon from Joyce Pickell, Mothers' March Chairman, or Glenna Watters, Assistant.

We would like to thank the Community for their support in the various projects the March of Dimes has held in this area over the past few years, and ask that you continue to do so in the upcoming events for our area.

Awards will be presented soon to various participants of the SUPERWALK that was held in late Fall of '79. We are sorry that it has taken so long for these to be given out but we have been waiting for them to arrive and also for the final totals to be calculated.

If you have not participated in the March of Dimes but feel that you would like to help in some way please call Sally Hartig, 348-9544 or Joyce Pickell, 348-8004. We are in need of some volunteer "Marchers" for this year's "Mothers' March" so please give it some serious thought.

Sally Hartig,
Secretary, N.E./M.O.D.

the squad finishing second only to Mason County Central in the tourney featuring the appearance of some 16-18 district high schools.

Branch said eight Vikings finished fourth or better on Saturday with 145-pound Tim Jones copping the only first place finish, upping his season record to 26-3. Others advancing on include Burt Partello (126 lbs.), who finished second, losing in the finals Saturday to his Shelby opponent, 2-1, and 185-lb. Jerry Lucksted, who also grabbed a 2nd, raising his season record to 34-5.

Two Vikes finished third. Tim Jensen (30-14) at 105 lbs. and 119-lb. John Solomonson whose record now stands even at 21-21. Dave Pettit (112 lbs.), Tim Ferrigan (132 lbs.) and Terry Lucksted (155 lbs.) will join the others on the trip Saturday by virtue of their fourth place finish despite suffering a broken nose early in the tourney Saturday. He is expected to compete this weekend.

For fans interested in making the trek to Grant this Saturday, matches are expected to get underway at 10:00 a.m.

Pancake Supper at St. Francis

The Parish of St. Francis Episcopal Church on M-72 West in Grayling is sponsoring their 4th Annual Shrove Tuesday Pancake Supper, to be held on February 19th from 5:00 to 7:30 p.m., in their Parish House.

The menu will feature plain or blueberry pancakes and smoked sausage, as well as Elmer Stindt's famous potato pancakes. There will be all the pancakes you can eat for a donation of \$2.25 for adults, \$1.50 for children under 12 and free admission for children under 5. Family rates are \$8.00.

Several door prizes will be awarded to the lucky people possessing the winning ticket stubs, you need not be present to win.

Plan to attend. Tickets may be purchased from any member of St. Francis, from June Robinson at the "Woof 'N Pur" in the Emporium on Main Street in Grayling, or at the door.

Snowmobile engines will rev up this weekend for a leisurely 50-mile round-trip trail ride from Grayling to Lovells and back to benefit handicapped children and adults.

Grayling's Holiday Inn will be rally point for the fun ride featuring snowmobiles from the area and around the state who will enjoy the pledge ride in support of the Easter Seal Society's Camp Hickory Ridge.

Sponsored jointly by the Grayling Regional Chamber of Commerce and Arctic Cat Snowmobile Manufacturer, Registration will begin at 9:00 a.m. in the Holiday Inn with the first group of riders expected to depart about 10 o'clock. Everett Hoggard of Grayling's AuSable Motel is coordinator for the Grayling event, one of seven held around Michigan this winter.

Registration forms and pledge sheets are available at all area motels and the Chamber of Commerce office. Riders are expected to depart in groups of about 20 and will lunch in Lovells before returning to Grayling. The event will be capped off with an evening program and dinner at the Holiday Inn.

A special treat may be on tap for participants, spectators and the general public at the Sno-Fari. The Avalanche has learned that the Easter Seal Society is attempting to arrange a stop-over for three adventurers now enroute to Flint aboard snowmobiles, starting out February 1st from the Arctic Circle. The trio, Dick & Ray Moore and Lorn Matthews are travelling through some of the coldest, roughest terrain in the Western Hemisphere on their 5000 mile attempt to reach Fenton Township by the end of the month. Their effort is also a pledge ride on behalf of the Easter Seal Society. Hopefully, they'll stop-over in Grayling.

Riders this weekend will be raising funds to help send handicapped children and adults to See Sno-Fari on Page 7

Chamber Cautiously Optimistic About New Industry Here

By Joe Schrader

Cautious optimism was the tone Chamber of Commerce President Bill Bonkowski expressed when he announced that a major U.S. industry was considering Grayling as the site for construction of a multi-million dollar manufacturing facility. The announcement came at last Thursday's monthly board meeting at the Hotel Shoppenagon.

Bonkowski was unable to reveal the identity of the manufacturing concern but indicated company representatives had visited Grayling early in the week to meet with a group of key community officials and governmental representatives.

If built here, the plant is expected to employ about 150 people plus another 125 in related area occupations. Bonkowski and Walt Nowak, Chamber Director, indicated the company has been considering construction sites for some time now and the decision had been narrowed down to the Grayling area along with another in a nearby state.

Bonkowski said a final decision on site selection is expected "within the next 2-3 weeks."

Featured speakers at the Thursday meeting included Jim Magyer, Easter Seal Society Regional Director and James Houck of the Michigan Depart-

ment of Labor.

Magyer, here preparing for this weekend's Easter Seal Pledge Sno-Fari, outlined the history of the Easter Seal Society and its work on behalf of handicapped children and adults throughout Michigan. Magyer said the direct services program of the Society concerns itself with purchase and care of equipment for the handicapped while the state-wide resident camp program provides five, 12-day camp periods for the handicapped ages six through sixty. Utilizing leased property now, Magyer indicated the Society is considering purchase of land for See Chamber on Page 6

Swamp Tax Check Arrives, County Deficit Cut

By Joe Schrader

The 1980 financial picture for Crawford County brightened significantly last week when commissioners were informed by Treasurer Joe Wakeley that his office had received a Swamp Tax revenue check in the amount of \$62,198. Commissioners had all but written off receipt of the revenue and its arrival will aid in reducing the \$118,000 deficit the county faced at year's end.

Wakeley explained the revenue represented a retro-active payment that was anticipated and budgeted for 1979 but never received. Commissioners passed a motion at last week's regular meeting to apply the payment to the 1979 deficit, thus reducing it immediately to about \$56,000.

When preparing the 1980 budget, the county had already built in a plan to lop some

\$55,000 from the deficit and if that is adhered to, commissioners may well be using black ink instead of red ink in their pens a year from now.

Wakeley said the payment represents the difference between 60 cents and \$1.50 per acre, or 90 cents, and was prompted by a supplemental bill passed by the legislature late in December authorizing release of the funds.

Hurons Here Friday

Vikings Nip Saints, 64-62

By Joe Schrader

Viking center Mike Chrisman stepped to the free throw line Friday night with just 14 seconds left in the game and calmly dropped in two clutch free throws that proved to be the margin of victory as the Vikes kept their league title hopes alive with a come-from-behind 64-62 victory over an inspired St. Ignace Saints squad in upper peninsula territory. It was nip and tuck the whole second half as St. Ignace battled the Vikes right to the wire before bowing.

Gaylord still leads the league race, hanging on to its one game lead over Grayling, trouncing Boyne City Friday with just two games left on the conference docket for both clubs.

On Tuesday night at home the Vikes had an easy time of it against Houghton Lake, trimming the Bobcats in a rare non-league breather, 93-70.

Coach Tom Mills' Junior Vikes got back on the winning track too, posting two wins in last week's preliminary contests, upping their season

record to 11-6. On Tuesday, the JV's clipped Houghton Lake, 71-55, and had an easy time of it across the bridge too as the squad spanked St. Ignace, 74-58.

The Vikes raced to a 16-9 first quarter lead against St. Ignace Friday but the Saints battled back to take a 6 point advantage, 31-25, to the locker room at the intermission. With 2:15 remaining the second stanza, the Vikes were still up by four, 25-21 when the Saints rattled the nets for 10 straight unanswered points to capture the lead.

Most of the damage all night long was inflicted by St. Ignace forward Jeff St. Louis who drilled in 16 points the first half and 34 for the night to lead all scorers. St. Louis came into the contest third in the league scoring race along with Larry Peters who led the league with a 21.3 point per game scoring average. Peters was held to under 10 points, guarded for the most part by Vike forward John Junttila.

Even with forward Billy Roach in foul trouble with four, the Vikes were able to cut the St. Ignace margin to just two points, 45-43 and it was still anybody's ball game at the three quarter mark. The Saints maintained its 2-point lead until midway through the fourth period when a basket by Roach tied it at 53 all. For the next two minutes it appeared the Vikes were about to put the game away for good when Roach hit for two more baskets and Mike Chrisman added a pair and

Grayling jumped out in front 61-54 with under two minutes to play.

But the Vikes were unable to convert on "one and one" free throw opportunities and the Saints kept chipping away at the Viking advantage. Two free throws by St. Louis with 32 seconds left on the clock narrowed the gap to 62-60 and the normally sure-footed Roach committed a turnover.

Michael Delp, Grayling Poet To Appear at Gaylord Feb. 27

Michael Delp, a Michigan poet, will read from his works next Wednesday evening, Feb. 27, in Gaylord.

The reading is sponsored by Apollo Schultz Bookseller in cooperation with the Gaylord Area Council for the Arts.

Delp's work has been published in at least 15 magazines, including East West Journal, Greenfield Review, Zahir and Poetry Now.

Delp is among a growing number of poets whose writing is more accessible than traditional poetry to the general public. Dale Franz, manager of Apollo Schultz, commented, "It's no secret that most people don't read poetry; but Michael Delp writes what people can understand. He makes masterful use of words and images to describe how a man feels about his own father. He talks about the powerful forces which act on a person drawn to a northern trout stream. And he makes things so clear that each idea is as well defined as a wet pebble on the beach."

Delp lives next to the Au Sable River near Grayling. He conducts an alternative education program at Grayling High School in which students contract to accomplish certain educational goals. The students set their own hours, making heavy use of the school library for research and using Delp as a resource in looking for ways to solve problems.

He also teaches English classes for Kirtland Community College.

He was one of 30 poets chosen from among 165 who submitted their work in 1975 to the editors of The Third Coast, an anthology of contemporary

Michigan poetry published by Wayne State University Press. Two books of his poetry, "A Short Guide to the Wilderness" and "A Dream of the Resurrection" have been published separately.

Delp is one of a dozen judges who screen the hundreds of applications for arts funds grants administered by the Michigan Council for the Arts.

He has conducted readings at the Michigan Poetry Conference in 1975 and 1977, at Alma College, Kalamazoo College, Battle Creek Art Center and Escanaba Fine Arts Center, including a week residency at Bay De Noc Community College.

Michael Delp's reading in Gaylord will take place at Apollo Schultz Bookseller in the Swiss Village Mall on Main Street across from the Otsego County Building, beginning at 7:30 p.m.

The Gaylord Area Council for the Arts will sponsor a reception in the mall following the reading.

The reading and reception are free to the public.

Delp will read mostly from his new work. He was born in 1948 in Greenville, Mi., a small town northeast of Grand Rapids, and was graduated from Alma College in 1971.

fouled and the slender center canned both attempts the cover was closed on the Saint coffin after a game attempt at a major upset.

The Vikes, who took only 50 shots all night long, well under the team's average, hit 33% from the floor the first half but improved to 53% the second half to hold the Saints off.

Coach "Butch" Hayes, calling St. Ignace an "intimidating place to play" said his team played an excellent defensive contest against the Saints. He singled out scrappy guards Scott Hale and Mike Walsh for their defensive efforts. Junttila and Chrisman shared rebounding honors for Grayling, each raking nine off the boards to lead the squad.

Bill Roach poured in 18 points, eleven the first quarter, to lead the Viking offensive attack. Walsh hit double figures with thirteen as did Mike Chrisman with 10. Junttila added eight, Rocky Tobin 7, Ken Helsel 4 and Bill Lucksted and Hale, two apiece to round out the Vike scoring.

In Tuesday's home court win over the Bobcats, the Vikes blistered the nets for 79 points the last 3 periods, blowing the contest wide open after Houghton Lake held them to a 14-14 deadlock at the one-quarter mark.

The win made it two in a row over the Cats this season and it was a 31-point outburst the second quarter that salted the game away. The Bobcats held brief early leads and in fact led 16-14 at the 7:30 mark of the second stanza before the "running-gunning" Vikes revved up their engines.

From mid-way through the second quarter the game's outcome left little doubt as Coach "Butch" Hayes got a rare opportunity of late to empty the bench, opening up playing time for Grayling reserves.

Bill Roach netted 23 points to top the Vike scoring, John Junttila added 13, Rocky Tobin hit for 12, and Scott Hale and Ken Helsel hit double digits with 10 points apiece.

Rogers City will provide the opposition this Friday night here at home. The conference clash will be played at the Middle School with the JV contest getting underway at 6:30 p.m.

THE CURRENT COST OF THE SMITHS' APPLIANCES IS \$3230.

THE COST OF THE CURRENT, LESS THAN 25¢ A DAY.

You already know that electricity does a lot of work around your home. What you may not realize is for how little money.

On a typical day, the Smith family—father, mother, daughter—uses enough electricity to cook breakfast, lunch and dinner, vacuum the floors, dry their hair, make coffee, lis-

ten to the radio and watch TV.

All of that use costs them less than a quarter. Compared to the cost of other things in life—like the appliances themselves—it is amazingly low; pocket change.

Yes, the cost of your total electric bill has gone up in recent years. But, that's

partly because you are using a lot more electricity— you use it to run all those appliances that make your life so much easier.

We at Consumers Power Company are working hard to keep reasonably-priced electricity working hard for you. If you do your part by using electricity wisely, we'll all benefit.

ELECTRICITY. It's still a good buy.

Mr. and Mrs. Lacey Stephan drove to Traverse City Sunday. On Monday morning, February 18, their daughter Mrs. Steve Hanna presented her husband with a daughter to be known as Sherre Michelle. Little Sherre weighed 8 lbs. 11 oz., on arrival. Her paternal grandmother is Mrs. Ralph Hanna. Mr. and Mrs. Stephan returned home Monday evening.

Guests of the Jack Fowlers last week were Mrs. Fowler's sister, Mrs. John Rautio and baby of Potoskey.

Overnight guests with Mr. and Mrs. Robert Funck last Friday were Mrs. Funck's nephew, Mr. and Mrs. Robert Clingan and their children, Beth Ann, Darrell, David, Becky and Berri Lynn. The Clingans are from Ferndale, but are on their way to Mexico to do missionary work.

Mr. and Mrs. Clair Melroy of Saginaw spent the weekend enjoying Grayling winter sports.

Mr. and Mrs. Eugene Papendick, Mr. and Mrs. Frank May and Debbie spent Sunday in Lansing, where they visited Mr. and Mrs. Victor Papendick and son Michael. Mrs. Elroy Barber, who had spent last week with Victor and his wife accompanied them back. They all stopped at Ashley enroute home, to call on Gene's brother, Mr. and Mrs. Ed Papendick.

At the housewarming for Mr. and Mrs. Lowell Overly (Yvonne LaGrow) in Allen Park Saturday night, about 40 friends and relatives were present. Besides Mr. and Mrs. Wm. LaGrow and Mrs. F.J. McClain, Sr., Mr. and Mrs. Jack McClain and sons Gary and John of Grand Rapids were also present. A gift of lawn furniture and lamps for the new home was given the Overlys by their guests.

Mr. and Mrs. Jack Alef and son Jimmy were in Traverse City on Tuesday of last week.

Mrs. Burton McWilliams gave a birthday party Wednesday, February 13th, for her daughter Sheila, who was 7 years old. Seventeen of Sheila's classmates, all young ladies, enjoyed a weiner roast in the "wreck" room fireplace, with ice cream and traditional birthday cake to top it off. Games provided entertainment also, amid Valentine decorations. Sheila is very pleased with the many lovely gifts she received.

Mr. and Mrs. Bill LaGrow, daughter Connie, and Mrs. F.J. McClain, Sr., spent the weekend in Detroit, on business and visiting friends and relatives. They attended a housewarming Saturday for Mr. and Mrs. Lowell Overly in Allen Park. Miss Connie visited her cousin, Miss Jackie LaGrow.

46 Years Ago February 22, 1934

Mrs. Paul Lovely, who was admitted to Mercy Hospital Monday evening, is getting along very nicely.

Mr. and Mrs. Ben Jerome of East Lansing spent Saturday and Sunday at the home of Mr. and Mrs. M.A. Bates.

Mr. and Mrs. Lloyd Welch, of Frederic, are the parents of a boy born to them at Mercy Hospital, February 19. The baby will be known as Gerald Dean.

Mr. and Mrs. Alfred Hermann, of Grand Rapids, spent the weekend with the latter's parents, Mr. and Mrs. M.A. Bates. They had as their guest, George Sage also of Grand Rapids.

After spending the evening skating at the Winter Sports Park Mr. and Mrs. Herbert Trudeau entertained several couples at their home where a potluck lunch was enjoyed.

Alfred Hanson has just delivered a new long wheelbase Chevrolet truck to Len Isenbauer.

Ted Wheeler is assisting Gordon Pond with delivering for the Niederer Coal Company while Mr. Niederer is busy on his ice cutting job.

Marius Hanson, who is attending Ferris Institute, in Big Rapids, arrived home yesterday to spend the weekend with his mother, Mrs. Hansine Hanson.

George VanPatten left Tuesday to spend two weeks visiting friends in Grand Rapids, Lansing, Ann Arbor and Detroit. He accompanied Nels Corwin and Chris Hoelsi as far as Lansing.

Mr. and Mrs. Gerald Poor and Coach Willard Cornell with Tom Welsh, George Hanson, Leo Lovely, Clyde Borchers, Don Gothro, Jerome Brady, Edwin Chalkier, Bill Joseph, Emil Kraus and Lwlyn Doremire motored to Alma Wednesday to witness a basketball game between Alma and Olivet. Alma won the game.

Roscommon's rangy scrappy basketball team edged out a 25-24 verdict over Grayling last Friday night in a game that wasn't decided until the last possible tick of the stop-watch. The Grayling reserves got a 11-6 decision to give Grayling a more or less even break for the evening.

69 Years Ago February 23, 1911

Abe Joseph came home last week, and intends to stay in the "only town on the map."

H.P. Olson came up Tuesday morning from Detroit, but had hardly time to shake hands all around as he had to return last night. He is always welcome here.

When they get to making paper out of corn, make eye-openers out of his morning paper and get three sheets to the wind before breakfast.

Mr. and Mrs. J.J. Manney gave a party for their son Russell F. in celebration of his 9th birthday last month, to a host of his playmates.

Frederic Flashes—Jake Berlin made his last visit here Monday in the interest of the dry goods.

Grandma Flagg and son Elijah of East Jordan were here to attend the funeral of Irvin Batterson, aged 18 years.

Mrs. James Smith and family, Mrs. E. Haines and Miss Addie Ensign were in Grayling over Sunday.

Big Load

The average dishwasher uses more than 14 gallons of hot water per load.

"If you're insuring a snowmobile, your policy should cover you on somebody else's machine, too."

"We recommend that people choose their snowmobile insurance the same way they pick car coverage."

"You should pick a policy, for instance, that helps protect you while you're driving someone else's snowmobile, too."

"A policy that pays for your own medical expenses as well as those of your passenger."

"To get this kind of comprehensive coverage, we recommend an Auto-Owners recreational vehicle policy."

"Want to know more? Give us a call."

Auto-Owners Insurance

The Bible Speaks

From Calvary Baptist Church

We Reap What We Sow Galatians 6:6-9

Everything reproduces after its own kind. This is one of the first laws concerning all reproduction in the Bible. Most of us do not question this principle in the field of biology, but what about the field of faith?

1. The first step in applying the principle of sowing and reaping in our spiritual lives is to give full support to the teacher of God's Word who does the most effective job of sowing Bible truth. "Let him that is taught in the word communicate unto him that teacheth in all good things." Gal. 6:6. You have a moral responsibility to support God's man who can teach you the most Bible. Many people think this verse speaks of finances, but in reality it speaks of "all good things." It means prayer support; it means support in attendance; it means support by encouragement; it means putting everything you are in support of ministering God's Word effectively.

2. The second step in sowing and reaping in our spiritual lives tells us we shall later reap what we are sowing now. You may ignore what your pastor or church stands for, but you will still reap the support you give. If you support a church or pastor where the Word of God is not preached, it will return upon you in your own life and in the lives of your children. What you feed your spiritual soul upon will determine your spiritual growth and maturity.

3. The third step in sowing and reaping concerns whether our sowing is carnal or spiritual. Why do you go to

church? If it isn't to learn more about God's Word and to worship Him, then you may be sowing carnal rather than spiritual seed. "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." Gal. 6:8. Do you support your church and pastor for social reasons? Do you go to church to improve your business image in the community? Do you go to church to show off your clothes or money? Do you go to church to visit friends and have fun?

4. The fourth step in sowing and reaping assures us that God always blesses faithfulness to His Word. We are never to become discouraged when things look dark, if we stand for truth God has promised to bless. "And let us not be weary in well doing: for in due season we shall reap, if we faint not." Gal. 6:9. If we do not remain faithful in support of all of God's Word, it is as who become deceived and mocked. God's Word remains the same. Are you walking in support of the Bible in every area of your life? Does your church and pastor take the strongest stand on the Bible in town? "For whatsoever a man soweth, that shall he also reap." (adv.)

Poor Dad

"It seems like my son's letters are always sending me to the dictionary," boasted the proud father of a Yale undergraduate.

"That's great," replied another father. "My son's correspondence are always sending me to the bank!"

Grant To Help Energy Bills For Elderly

Northeast Michigan Community Service Agency, Inc. (NEMCSA) has received a federal grant through the Michigan Department of Labor, Bureau of Community Services, to assist low-income and elderly households with payment of energy related bills.

The purpose of the Energy Crisis Assistance Program (ECAP) is to help relieve the financial burden caused by the dramatic increase in energy costs. The Energy Crisis Assistance Program administered by NEMCSA will receive up to \$745,000.00 to provide assistance to qualified families in Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego and Presque Isle Counties.

In order to qualify for home heating assistance, applicants must be qualified under Federal low-income guidelines and provide verification of this income.

Centers have been established in each of the eleven counties where in-take workers are available to provide information and application assistance. For appointments or additional information, the telephone number for the immediate area is:

Crawford County: Eunice Dean, In-Take Worker, Senior Citizens Center, 308 Lawndale Drive, Grayling, MI 49738, Phone: 517/348-8453

Additional information and county referrals can also be obtained by calling the NEMCSA office at 517/356-3474.

THOUGHT FOR FOOD

By GOULD CROOK

BLUEBERRY MUFFINS
3 tbsps shortening, butter or margarine
3 tbsps sugar
1 beaten egg
2 cups sifted flour
3 tbsps baking powder
1 tsp salt
1 cup milk
1/2 cup blueberries
Heat oven to 400° F. Slightly grease the muffin pan.
Cream the shortening, butter or margarine. Add sugar and egg, mix well.

Sift the flour, baking powder and salt together. Add alternately with the milk to the creamed mixture. Mix lightly. The batter will be slightly lumpy. Add 1/2 cup fresh blueberries, lightly sprinkled with flour, to the batter. If frozen berries are used, thaw and drain before using. Fill the muffin pan about 3/4 full. Bake 20 or 30 minutes. Yields 12 muffins.

Snacks have become part of the American way of life.

Each year Americans consume the equivalent of two billion dollars worth of potato chips, pretzels, nuts, corn chips, puffed snacks, crackers, spreads and other snacks.

Snacks are usually associated with fun time, socializing and enjoyment but they can also mean extra unnecessary calories, spoiled appetites and "binge" eating.

Snacks need to be selected so that they supply the body with vitamins, minerals and possibly protein, in addition to energy. They should also be considered as part of the total day's food intake if they are not to contribute to overweight.

Juice or milk instead of a soft drink or a dish of ice cream instead of potato chips are wise choices.

High calorie snacks such as candy, soft drinks, pastries and doughnuts don't necessarily have to be eliminated completely from the diet as long as they don't replace foods needed by the body.

SOMETHING FOR NOTHING

Sandra K. Schmoock
Associate Broker

Nobody likes to pass up a bargain. That opportunity to get more than you paid for or, more desirable yet, something for nothing. So you need to know about the best bargain in town: The professional help of the real estate agent.

Of course, when you sell your home, you do pay a certain portion of the sales price as a commission to the broker (but the amount, for tax purposes, is deductible from the sales price). But compare that small percentage against the known fact that a good agent, familiar with the market, can help you to get more for your property. Also, the broker provides advertising and promotion expenses.

See what you can get for nothing? A large number of anticipated buyers; the knowledge of an expert; in price; advertisement, and negotiating; help in showing your house, an immediate knowledge of a financial source for your prospect and the freedom of NOT having to go through any problems by yourself.

Lovells News
By Ruth Caid

Mrs. Ethel Morris returned home Monday after being a patient at Munson Hospital. Her many friends wish her a speedy recovery.

Mr. and Mrs. Clifford Dudley of Midland spent a few days visiting Mr. and Mrs. Ray Duby.

Mrs. Margie Harwood is enjoying a vacation in Florida the guest of Mr. and Mrs. Merle Hartman.

Guests at the home of Mr. and Mrs. Abbott Walker were their son, Bill, grandson Craig Calkins and her sister and husband, Mr. and Mrs. Mac Fordyce of Mt. Clemens.

Mrs. Ruth Caid hosted the card party Saturday evening. Prizes were won by Betty McGowan, Alice Campau, Sophie Koerke, John Campau, Tom Morris and George Wingeier. Mr. and Mrs. George Wingeier will host the party this week.

Library News—New books available at the Lovells Library are "My Life & Times" by Betty Ford, "Domino" by Phyllis Whiting, "Spring of the Tiger" by Victoria Holt, "Vivian Leigh" by Ann Edwards and "Ashes in the Wind" by Kathleen Woodiwiss. The Library would appreciate donations of paperbacks. Library will be closed on Mondays until further notice.

Special Olympics Winter Fun Day

Approximately 35 resource room students and chaperones from Grayling Elementary School were among the 200 plus participants in this year's Area 4 Special Olympics Winter Fun Day. The event was held February 13, 1980, at Pioneer Hills in Roscommon and was open to all resource room students within Crawford, Oscoda, Ogemaw and Roscommon counties.

During the Fun Day, students were given an opportunity to participate in beginning and advanced cross country skiing clinics, snowshoeing, tobogganing and sledding. This Special Olympics event was unique in that the competitive aspect was de-emphasized. Participants were given the opportunity to try a variety of winter sports and to improve these skills in a learning atmosphere. Each athlete was recognized for his efforts by being awarded a ribbon for his participation.

This is the second year Area 4 Winter Olympics were held. Last year's event was held at Hanson Hills in Grayling. This experience is also the largest event in number of participants which is held by Area 4 throughout the year.

construction of a permanent camp facility for use in the future. He characterized the Easter Seal Society as a "quiet community service."

Houck, involved on behalf of the Dept. of Labor in the Grayling area "economic planning assistance" program, brought board members up to date regarding the status of the state's economic service. He pointed out answers to three questions posed on questionnaires completed by a group of 20 key individuals in the community had been received and were being tabulated. The individuals were asked to outline economic development needs, economic problems and economic potential in the Crawford County area.

Houck said that 15 area businesses and industries were being surveyed now and when all those are received, problem areas will be specifically identified and an economic plan developed. This is expected to take some 3-4 months.

Solicitation and sales door to door by the Unification Church (Moonies) in the community was a concern expressed by Mary Kelly at Thursday's meeting, who asked the board to adopt a position on the matter.

Magyer indicated their activities were governed by the Michigan Charitable Solicitations Act and after some discussion, the board concluded there was little could be done by the organization and that handling of door to door solicitation was the responsibility of home and business owners themselves.

Funds Available for Conservation Projects

Farmers and landowners in both Roscommon and Crawford counties are reminded that funds are available for a variety of conservation practices installed under the guidelines of the Agricultural Conservation Program (ACP). Up to 75% of the cost to install good conservation practices can be reimbursed to approved applicants under the ACP program which is administered by the Agricultural Stabilization and Conservation Service (ASCS). Eligible prac-

tices include, tree planting, timberland improvement, windbreaks, wildlife habitat, shallow water areas for wildlife and the establishment of permanent vegetative cover. Applications for these and other practices can be filed at the Roscommon-Crawford ASCS office located at 409 Lake Street in Roscommon, ph. 517-275-5231.

Thomas Bluhm, manager of the Roscommon-Crawford County ASCS office explained that all applications for cost sharing are reviewed and approved by a farmer elected county committee in each county. Bluhm further remarked, "the ACP program has been in existence since the 1930's and attempts to deal with agricultural related pollution and soil loss as well as the encouragement of wildlife and good management of our private forestlands. Basically the program accomplishes its goals by providing cost share assistance and technical advice where needed so that private landowners are able to install good conservation measures. The ACP program is designed mainly to solve agricultural related conservation problems and while Roscommon and Crawford counties have little traditional farming several

major rivers have their beginnings in this area so it is important that we do our best to control the soil loss that we do have." Bluhm also announced that March 15th has been set as the end of the initial sign-up period for those interested in the cost sharing program. Each county is expected to have slightly more than \$10,000 available to approve 1980 applications for cost share assistance. If the cost of 1980 applications exceeds the budget the county committee's will target their funds towards practices and applications with greater conservation need.

Bluhm then added these final thoughts about the ACP program, "we encourage any interested farmer or landowner to contact our Roscommon office if they would like additional information about the program we offer and the funds available. In the past years this program has helped to install many good conservation measures in both Crawford and Roscommon counties and in my opinion it has done so with a minimum of hassle or government paperwork. Every farmer and landowner has a responsibility to use their land wisely and the ACP program provides the financial and technical assistance necessary to get the job done."

Services Held For Young Child

Jeffery was born August 17, 1978 in Grayling. He is survived by his parents, Dale and Christine Cox; brother, Joshua Adam; maternal grandparents, Mr. and Mrs. Duane Cassidy; paternal grandparents, Mr. and Mrs. Ursle Cox; great grandparents, Mr. and Mrs. Herbert Nugent of Frederic; great grandmothers, Mrs. Opal Slagel of Saginaw and Clara Jarmin of Texas; and great great grandfather, William Vollmer of Frederic.

Tuesday Services For Marie A. Fields, 84

Marie A. Fields, 84, passed away February 15, 1980 at her residence at Timberview Village. She was born in Bay City, September 7, 1896.

She is survived by one son, Lawrence Fields of Grayling; one daughter Ollie J. Prover of Farmington; four brothers, one sister, three grandchildren and seven great grandchildren. She was preceded in death by her husband.

Mrs. Fields resided in Detroit before moving to Grayling nine months ago. Services were held Tuesday, February 19, 1980 at 10:00 a.m. from Sorenson Funeral Home, with Rev. Robert Barnett officiating. Interment was in Parkview Memorial Cemetery, Livonia. Mrs. Lawrence Fields, daughter-in-law of the deceased, was organist for the services.

Resident's Brother Dies in Florida

Larry Glenn, age 72, passed away Wednesday, February 13, 1980 in Florida. Funeral services were held Monday, February 18, 1980 in Johnstown, Ohio.

Survivors include his wife, Grace; two brothers, Alvis and Clifford both of Ohio; three sisters, Shirley Robinson and Flora Oliver both of Florida and Ruth Hooper of Grayling; 3 grandchildren; and 6 great grandchildren.

Sno-Fari

(Continued from Page 1)

Camp Hickory Ridge, an Easter Seal Society sponsored camp. If a rider obtains 20 sponsors at 10 cents per mile, for example, \$100 will be earned for Easter Seals, enough to allow a handicapped child to spend two days at the camp.

The Michigan International Snowmobile Association is coordinating the effort through Mrs. Kate Bomers, Recreational Director. "There is an organized Sno-Fari ride every weekend during January and February," she said, "and the key is that each ride is a family event, oriented to the recreation snowmobilers, and uses marked trails. We want to let the public know that snowmobilers really care, about the environment and about the Easter Seals camp too."

Riders will be asking friends, relatives and business contacts to sponsor their ride in support of the Easter Seal Society with tax deductible pledges.

New "Michigan Double" Lottery Little League Set Regulations

Ticket buyers will be seeing double when they play the Michigan Lottery's new instant game, "Michigan Double", which goes on sale Wednesday, February 13, 1980.

Each "Michigan Double" ticket has six playing spots, and each spot reveals a prize amount or a star when the protective covering is removed. If three identical prize amounts appear on the ticket, the customer wins that amount. If two identical prize amounts PLUS a star appear on the ticket, the customer wins DOUBLE the prize amount indicated.

In addition, the Grand Drawing for the "Michigan Double" instant game features a top prize of \$50,000 a year for life. Winners of \$50 and \$100 prizes, who file a claim within 10 days after the announced end of the game, qualify for the Grand Drawing elimination. At this drawing, ten finalists will be drawn, at random, to proceed to the actual Grand Drawing.

The game consists of 36 million tickets printed for distribution, with over \$14 million in cash prizes. Overall, the odds of purchasing a win-

ning ticket are approximately one winner in three (1:3.4).

The ten Grand Drawing prizes are as follows: 1st (Grand) Prize \$50,000 a year for life, 2nd Prize \$50,000, 3rd Prize \$45,000, 4th Prize \$40,000, 5th Prize \$35,000, 6th Prize \$30,000, 7th Prize \$25,000, 8th Prize \$20,000, 9th Prize \$15,000, 10th Prize \$10,000.

Lottery agents will redeem "Free Ticket(s)", \$2, \$4, \$5 and \$10 winners. Tickets winning \$50 and \$100 may be claimed at a Lottery Claim Center. Players who win \$2,500 and \$5,000 should file their claims at a Lottery Regional Office, or at Lottery Central in Lansing. These offices are located as follows:

Grayling-County Building, Lansing-6545 Mercantile Way, Marquette-105 E. Washington, Oak Park-13391 W. Nine Mile, Portage (Kalamazoo)-5323 Portage Road, Sgaw-310 Johnson (Downtown Saginaw Mall)

Instant winners of \$50 or more will be paid by check once their Lottery claim form has been validated and approved for payment. The prize check is mailed to the address provided by the claimant. With the exception of the \$50,000 a year for life Grand Prize, the Grand Drawing winners will be paid in full immediately following the drawing. The date, time and location of the Elimination Drawing and the Grand Drawing will be announced within one month after the end of the game.

Kirtland Archers Place High

The Kirtland Community College Royal Archers placed high in competition at a meet held February 10th in Kalamazoo. Jim Wellevy placed 1st, setting a new state record. Al Hitch and Greg Gible, also Royal Archers, placed 3rd and 4th respectively.

The KCC Royal Archers have a busy month ahead, with a shoot at Delta College on the 16th. On the 23rd and 24th, they will be traveling to Terra Haute and Chicago to compete in two separate Midwestern Archery Tournaments.

Glen's Save-Share Really Works!!

What is Save-Share?

All a group has to do is register with the Store Manager or Asst. Manager and begin saving the green register tapes. Glen's will pay 1% of the total qualified amount of all tapes brought in to any registered group; and not just once but each time a group brings in \$25.00 worth of slips or more.

Glen's wants everyone in Grayling to know about Save-Share and hopes more groups will use it to raise funds.

"GRACIAS"—That's what Nancy Lemmen, shown here, told Glen's Market when she picked up a SAVE-SHARE check for her Grayling High Spanish class in the amount of \$131.76. Another typical example of how the charitable Glen's Market program benefits organizations around the community.

There's another side to tax limitation

RICHARD MILLIMAN

WHAT REALLY happens when a government puts a lid on tax revenues?

Not all good things, according to the results of just such an experiment in the city of Saco, Maine.

In Saco, the voters decided last year to put a limitation on local property tax revenue at \$3 million compared with \$3.6 million in 1978, according to the Associated Press. The vote also permitted a 2 percent per year inflation factor—which isn't much, in today's inflationary climate.

Taxes were limited all right, but so were services. Shortly after the limitation was adopted by the voters, city and school officials (who work out of the same financial pie in Saco) started cutting their budgets.

HERE WERE some of the results, as listed in the AP news report:

—The police department lost 4 members of a 28-person department; Serious crime in the city jumped 25 percent and vandalism shot up 44 percent.

—The crime increase was blamed only partly on police cuts; sharing the responsibility were cuts in school programs and in parks-recreation programs.

—Local elementary schools, with 1650 students, lost 17 teachers; the local high school (semi-public, semi-private) lost 11 of 59 instructors.

—Schools dropped physical education and inter-school sports for lower grades, cut art lessons, reduced course offerings; the size of many classes rose from 20 or 22 students to more than 30 students.

—Scores of public employees were dismissed, the city council had almost a complete turnover of members, and public debate was bitter.

THE CITY had to borrow money to meet some payrolls; the city also defaulted on a \$2.1 million tax anticipation loan, which was not directly blamed on the tax limit by most of those involved, but instead came from mismanagement and past problems.

"By clamping the tax cap on, it brought all the underlying

problems—mismanagement and lack of revenue—to the surface more quickly," said one observer.

Commented a strong school supporter: "There are parents who will look us in the eye, and say, 'I voted for the tax cap,' and look you in the other eye and say, 'You're hurting my child.'"

The only way to remove the tax ceiling in Saco is through another referendum. Although the news story doesn't say, I'd guess there's a move afoot to call for another vote.

THE EXPERIENCE in Saco points up the only true way to cut taxes, and that's by reducing services. There's no other magic formula, no matter what political candidates or office holders might indicate.

Cutting services' always hurts somebody; it's not a popular thing to do.

As tax limitations are argued during this election year, it might be well to keep in mind the sad experience of the people in Saco, Maine.

Cutting taxes is only half the story—the good half. The other side—reducing government services—brings the pain.

EVEN WONDER where your federal taxes go? According to a recent study by the magazine "U.S. News and World Report," a family of four with an income of \$20,000 would support the federal government in approximately this fashion:

The defense department would get \$606, while social security would receive \$1,016. Education would be in for \$62, the space program would get \$23, welfare payments would take \$70, military pensions would cost \$60, and \$346 is just for interest on the national debt.

The department of energy would receive \$45, while \$38 would go for food stamps, the FBI would get \$4 and the national park service \$2.

The cheapest national service receiving tax dollars under this listing would be the White House at 21 cents.

Almanack

Grant Programs For Basic Skills

Peter Ingvarsson

On last year's Crawford AuSable Community Survey two things became very apparent. First, this community considers its schools to be a very important part of what this community is about. Proof of this is that 96% of the people who received surveys responded. The second point was that improving basic reading and math skills was the top priority in the opinion of almost everyone surveyed.

I bring this up only because Title I and Article 3 are designed to help us achieve that priority. In the past several weeks, we have looked at the different programs provided to our children through Title I and Article 3 money. This week we're going to look at the Parent Advisory Council. This is a chance for parents and community members to help us attain this community's top priority for its schools.

The Parent Advisory Council will be composed of parents of children who are preschool to high school age. The majority of the members must be parents of children who are presently receiving, or have recently received, Title I and/or Article 3 services. Other parents whose children have not received program services are also eligible.

The duties of the council will be to become familiar with Title I and Article 3 programs in our district, preschool through high school. They will review the programs as parents in order to give a parent's point of view of the program. They will also be a part of the planning for next year's programs. Research has shown that these activities take place the result is higher achievement in reading and math.

The first meeting to elect members will be held on Thursday, March 13, at 7:30 p.m. at the high school. Anyone who would like further information about the council or would like to be part of it may call the Title I office at 348-7641.

News of Good Things Growing...

Eggs over easy are just that—easy to prepare, but let's get this excellent source of protein out of the frying pan into some easy and exotic egg dishes.

Good things growing in Michigan include about 1.5 billion eggs produced each year by our state's 6.4 million hens, according to the Michigan Department of Agriculture.

The incredible, edible egg makes a great breakfast and is also great for luncheon dishes, sandwiches, salads, or combined with other foods for dinner specialties, such as eggs and Asparagus au gratin and Eggs Boulangerie.

To prepare Eggs and Asparagus au gratin, arrange a layer of cooked asparagus in a baking dish. Top with a layer of sliced hard-boiled eggs and your favorite cheese sauce. Sprinkle with shredded cheddar cheese and crumbs. Bake until bubbly and golden in a 350 degree oven.

Eggs Boulangerie, which sounds intriguing, is an unusual egg and potato dish. Peel and thinly slice three large potatoes, then saute in four tablespoons of butter until tender and nicely browned, about 20 minutes. Season with a dash of nutmeg, salt and pepper.

Butter a shallow baking dish. Spread potatoes over bottom. Sprinkle with one-third cup grated Cheddar cheese. Break six eggs over potatoes, leaving space between each. Season with salt and pepper and drizzle one-half cup cream over top. Bake uncovered at 375 degrees for 10 to 12 minutes.

Fresh Michigan eggs are an excellent food buy. Two large eggs equal four ounces of meat nutritionally and a dozen eggs cost less than a dollar.

Michigan eggs are quality graded in accordance with federal-state laws. Grade AA, extra fancy, and Grade A have thick whites and firm yolks which are excellent for frying and poaching, where appearance is important. Grade B eggs have less thick whites and yolks may be somewhat flattened but they are good for general cooking and baking.

The White House has a food problem. It has enough Ham. It has enough crackers. Now all it needs is someone who can cut the mustard.

Crawford County to Receive \$200,321 in Gas Tax Revenues

Crawford County's share of the state gas and weight tax revenues amounts to \$200,321 for the last quarter of 1979, according to a published report from the Michigan Department of Transportation issued last week. The City of Grayling will receive \$12,651. Both figures are up from a year ago but the increase is not the result of increased gasoline consumption but rather a two-cent-a-gallon tax increase that went into effect January 1, 1979, the report shows.

Gas tax revenues in the final quarter of 1979 totaled \$118,991,284, up by \$12,880,076 from the last three months of 1978. However the 10.7% increase was a result of the tax increase and not an increase in sales. Had consumption held steady, the report says, revenues would have climbed by 22 percent.

Weight tax (license plate) fees in the last quarter yielded

\$34,294,770, a drop of \$1,164,019, or 3.2%, from the October-December period of 1978.

Gasoline sales for the last three months of 1979 totaled 1,075,961,572 gallons, a decline of 140 million gallons from the same period a year earlier. Lighter weight autos, more efficient engines and a decline in highway travel all contributed to the decrease.

All the highway user tax revenues went into the Michigan Transportation Fund, together with interest earnings of \$2,911,247 and miscellaneous revenues totaling \$3,055,496.

Other surrounding counties and cities and their shares of the revenues include: Kalkaska County (\$241,009) and city (\$12,158); Otsego County (\$245,209); city of Gaylord (\$18,151); Roscommon County (\$252,413); city of Roscommon (\$6,079).

Together, the state, counties and municipalities maintain more than 116,000 miles of highways, roads and streets.

McPherson-Mast Speak Vows

Shirley McPherson became the bride of Daniel Mast in a double ring ceremony at Northside Baptist Church in Plant City, Florida on Feb. 1st. The Rev. Polk performed the ceremony at 1:00 p.m.

The bride wore an off white gown accented with lace made by the bride. Attending the wedding was the brides daughter of Plant City accompanied by Daniel Mast Jr. and brother Daryl Mast and the brides parents, Mr. and Mrs. Emery French and Aunt from Ft. Lauderdale, Fla. and other friends.

Following the wedding the couple left for a trip to Key West, Florida and Cape Kennedy.

The couple now resides in Tampa, Florida. The groom is a self employed electrical contractor.

A reception was held at the residence of Pastor Keller Wells and wife on Feb. 9th upon the return of the couple from their wedding trip. The color theme was yellow and white accented with yellow and white daisies on a two tier wedding cake. Close friends and relatives were in attendance.

Little League Set Regulations

TROOPER FOX VISITS SCHOOL—Trooper Fox, a policeman, came to Grayling Elementary School to teach the first graders and kindergarten children bus safety rules. He told the children how to behave on the bus and how to get on and off the bus safely. He told them when they got off the bus to take three large steps away from the bus, then turn around and take ten large steps towards the front of the bus, then wait for the bus driver's signal to cross the street. Then he took them outside to try and do it on a real bus. Written by Erin Barrow, fourth grade.

The Grayling Little League held its regular monthly meeting on February 13, 1980. Among the items discussed was the registration of boys and girls who will be playing Little League Baseball this year. All kids who plan to play this year will be required to complete the coupon in this issue of the paper and return it. It must be completed, even if you have played Little League Baseball before (Senior, Major, or Minor leagues), by March 10, 1980.

Board members also decided not to charge a per child fee this year, although this charge may be necessary in the coming years. The meeting date of the regular monthly meeting was also changed to the second Thursday of each month.

Attendance at meetings and co-operation by coaches during the last few months has been somewhat poor. We are now less than 3 months away from

the start of the season and there is much work to be done. Let's start attending these meetings.

The March 13th meeting will be the annual draft of players so it is most important that all coaches be present. Once again we are requesting that coaches turn in equipment for inventory. Your same equipment will be returned to you. We need to order the new equipment now! If you haven't turned in your equipment do so before February 22 to Cal Walls at R & H Sports Center.

Remember the next regular meeting will be the draft of players on March 13, 1980.

EDITOR'S MAILBOX

Feb. 7, 1980

Dear Editor,

The County Board of Commissioners inherited a dangerous fiscal situation in 1979. They have broken with some long standing precedents and taken some drastic and unpopular actions in an attempt to remedy the problem. They are doing it again in their labor negotiations.

Maybe their insistence on a change in methods is as it should be. The economy is slipping precariously, and the future is unsure. It seems rational to assume that the old rules and methods have to be modified to fit the circumstances if anyone is to benefit.

Because an approach to a problem is different does not make it bad. It just makes it different. People should not be afraid to try a new approach. It could mean a long-term security they're not assured of now.

I'm familiar with personnel problems, and I've been a union member. From both experiences I know neither management nor union can save you when the boss goes broke.

Before fear and mistrust cloud this issue, I hope both sides consider the future of Crawford County as well as the present before committing each other to something unworkable.

We all have a lot at stake here.

Respectfully,
A. Bader

Dear Sirs,

The Kirtland Aviation Chapter is beginning preparation for our 4th Annual Dawn Patrol. During research of our files were realized that no letters of appreciation were sent out to the many local merchants who lent their support to our program last year. We would like to apologize for this oversight.

We are looking forward to this year's Dawn Patrol, and, if the weather cooperates, many classic airplanes flying in. Our program will include a pancake breakfast, helicopter rides, and tours of our Aviation Maintenance Training facility.

We would like to thank you for your support in the past, and hope we can count on you for assistance again this year.

Sincerely,
Jim Dehlin, President
Kirtland Aviation Chapter

I am making this observation strictly as a private citizen of Crawford County. I invite and welcome responsive comments by my fellow citizens in this community.

Prior to June 28, 1979 Crawford County Treasurer Joseph Wakeley made a public pronouncement that for 1979 the Crawford County budget of \$1,593,333.00 was in the red by as much as \$400,000.00 (Avalanche 6/28/79). Those people with any knowledge about the operation of the county government privately questioned that pronouncement at the time. The one group most responsible for ascertaining the accuracy of Mr. Wakeley's projections—the County Board of Commissioners—failed to do so. The Board simply went along and from early on began to foster and even promote Mr. Wakeley's projections and their dire consequences for the community.

On February 12, 1980 Mr. Wakeley and the Board finally arrived at the truth of the matter—the bottom line—which is that for the 1979 budgetary year out of a \$1,593,333.00 budget the deficit is a comparatively inconsequential \$1,700.00; roughly 1/10th of one percent of the total budget. Mr. Wakeley and the Board had it wrong by \$398,300.00. Upon learning that the deficit had disappeared, the Board was quoted as being, "elated with the surprise back payment". I can understand that elation—but not the surprise. When has the state not paid swamp tax revenues to this county?

As a result of Mr. Wakeley's error in judgment and the panicked fashion in which it was announced to the public and adopted hook, line and sinker by the Board, this community has been treated to all of the following which seems to have been totally unnecessary: Reduction in police protection, the expense of a special millage election, needless loss of employment for several county residents, destruction of morale and loss of operational efficiency in virtually every department of county government and a whole lot of public confusion and concern over the stability of county finances.

In my opinion Mr. Wakeley needlessly panicked in May of 1979 and recklessly spread a non-existent crisis on the public record. The Board, under the leadership of Chairman Mattis and Vice Chairman Bonkowski, abrogated its responsibility to discover the truth of the matter and to provide a sense of positive and reasoned direction. The result has been eight months of local upheaval, bad press and detrimental activity, the end of which I predict is not yet in sight.

Fortunately, this is an election year and the citizens of this county will have an opportunity to question both Mr. Wakeley and the members of the Board about their handling of what has turned out to be a non-existent financial crisis. I encourage each of you to avail yourselves of the opportunity to do so.

Dolphins Can See
Dolphins have the unusual ability to see equally well both in and out of the water.

To the Citizens of Crawford County...

In the February 6, 1980 issue of the Avalanche, I attempted to explain why Crawford County was trying to negotiate a different type of arbitration in our next AFSCME union contract with courthouse employees. I tried, at the same time, to explain the two other main issues which are holding up our contract settlement.

In February 13, 1980 Avalanche, Mr. Dennis Nauss, the AFSCME representative, responded to my letter, and one by Crawford County Deputy Clerk Nancy Krey. The rhetoric was pretty fiery, and the name calling, accusations, and chest thumping, turned out to be pretty much the same litany we've been responding to for 6 weeks.

The main point Mr. Nauss seemed to be making was that the county was not being honest. More pointedly, that I was not honest. I will not turn the Avalanche into a kangaroo court where anything is admissible evidence until it is refuted—a week later. It's unprofessional, unproductive, and will only serve to create hostilities.

I will, however, give you some figures, and let you decide the question of arbitration cost for yourself. I estimated cost at \$1,000 per party. Mr. Nauss corrected me, quite abruptly, saying they were \$1,000 total—or \$500 per party.

The following costs are taken from an actual arbitration bill submitted to the City of Grayling on March 7, 1978, by an arbitrator of the American Arbitration Association.

—Arbitrator's Fee Total—\$1,200.00—This includes \$450.00 for 1½ hearing day and \$750.00 for his study and preparation.

—Arbitrator's Transportation—\$69.02—He came from the Detroit area, as do most A.A.A. arbitrators, at 1978 gasoline prices.

—Arbitrator's Lodging—\$20.80—That's probably conservative by today's prices.

—Arbitrator's Meals—\$18.11 (3)—Also probably conservative by today's prices.

Total Arbitrator's Bill: \$1,307.93. The City paid half—\$653.96.

Now, take \$653.96, and add to that the cost of an attorney to both prepare the case, and present it at the hearing, at the going rate of \$50.00 an hour. Be very conservative. Estimate only eight attorney hours at \$50.00, for a total of \$400.00. By my arithmetic \$653.96 and \$400.00 add up to \$1,053.96.

I estimated \$1,000.00, Mr. Nauss said \$500.00. Seeing as these figures were taken from a 1978 invoice, I still maintain I'm in the ballpark.

Jacqueline A. Bonkowski
Chairman, Union Negotiations
Crawford County Board of Commissioners

Dear Mr. Madsen:
I would like to apprise your readers of our petition drive to repeal the Single Business Tax and to reduce the Personal Income Tax.

We have thousands of petitions out, but we need 229,000 signatures by mid-May to put this proposal on the November, 1980 ballot.

The proposal will repeal the Single Business Tax outright, will forbid the reintroduction of either the inventory tax or the franchise tax, and will replace it with the old corporate income tax at a 10% rate with a \$50,000 deduction of these profits. Only corporations will pay, as before, and only those that have profits of \$50,000 or more. The \$50,000 will be indexed to rise with inflation.

The proposal will also cut the personal income tax to 4.4% immediately, to 4.2% in 1984 and to 4% in 1986. It will raise the personal exemption to \$1,800 and will index this to rise with inflation. Further, all retirement income will be banned from taxation by the State of Michigan.

I urge all your readers to write for petitions. They can be obtained from the Fredricks SBT Repeal Committee, P.O. Box 1980, Fennville, Michigan 49408.

Sincerely,
Ed Fredricks
State Senator

FIRST ALTAR STONE—Progress on Mt. Hope Lutheran Church's new worship facility just north of Grayling on Old-27 took another step forward last Thursday with laying of the first altar stone.

According to Preston Slack, Congregation President, work is progressing nicely toward an anticipated dedication date of May 18th. AuSable Construction Co. of Grayling is general contractor for the project. Shown here laying the first altar stone is Larry Ostrowski, AuSable Construction Co. partner, while Preston Slack, Pastor Paul Weber, Carl Gaiser, building architect, and Bill Weaver, partner in AuSable Construction, look on approvingly. Bits O'Talk

by Fay Bovee

Members of the Wheeler family held their annual winter get-together at the home of Mrs. Blanche Michelson at Higgins Lake this past weekend. From Grayling were Roger and Lucille Kneff, Ted Wheeler, and Herb and Glenna Wheeler, and from Allen Park were Steve and Naomi Gribb. Ted Wheeler has recently moved from Coopersville and is making his home in Grayling.

LEARN ABOUT FIRE SAFETY—At Junior Deputy on Tuesday, February 11, Mr. Golinick told the fourth grade about fire safety. He told about how to save ourselves in case of a fire. He told about how to get out in case of a fire. If you are in a bedroom, you should feel the door. If it is hot, get out another way. If the door is cool, then you are safe. Go out and warn the others by pounding on the door and shouting. If your clothes are on fire, get down on the ground and roll. This may help put out the fire and save your life. Shown is Robert Golinick, fireman, talking to fourth graders. Written by Carmen Hagerman and Julie Huss, fourth grade.

Larry and Phyllis Kneff, and children, Tammi, Cindi, and Larry, moved last week from Levelland, Texas, to Grayling to make their home. They are staying with his parents, the Roger Kneffs, for the present and he has accepted employment in an oil field job out of Gaylord.

Phillip and Grace Stencil and son, Benjamin, are moving to Jackson where he will be employed by United Geophysical.

On Saturday evening, members of the Grayling Rotary club attended a birthday dinner at the Henschen House in Gaylord. To celebrate the occasion of Rotary International being 75 years old, Gov. Milliken proclaimed the week of February 17 to 23 Rotary Birthday week. Attending from Grayling were the Melvin Nuns, President Joe Wakeley and his wife, president-elect Don Geiss and his wife, the Harvey Rowlands, the Bill Ruddys, the Art Weidemanns, the John Naours, and from Lovells, the Bill Commons. The party was sponsored by the Gaylord Rotary and besides Grayling, Roscommon Rotarians were in attendance. The highlight of the program which followed dinner was the presentation of Ed Strolle of Gaylord as a Paul Harris fellow. Music provided for dancing for the remainder of the evening.

'79 Huron-Manistee Revenue For Crawford Announced

Local units of government in Michigan's lower peninsula received payments of \$562,653 in 1979 resulting from activities occurring on Huron-Manistee National Forests' lands.

Crawford County's share of the revenue distribution amounted to a total of \$30,800 on 46,329 net forest acres according to a report released by the U.S. Department of Agriculture-Forest Service.

These payments are a combination of 25% of the Forests' receipts from timber sales, special use permits, recreation fees, and mineral leases, plus added "payments in lieu of taxes" for counties under Public Law 94-565. These payments averaged \$0.61 per acre for the 924,533 net acres with total payments to all Michigan counties amounting to \$2,176,799.

The Huron-Manistee National Forests are "working forests" with an annual budget of \$6 million. They maintain 550 miles of roads, 75 miles of snowmobile trails, provide wildfire protection for 1 million acres, and sell more than 70 million board feet of timber each year. More than \$364,000 was spent on wildlife habitat management last year. An estimated 2,378,000 visitor days were spent

on the forests in pursuit of camping, hiking, picnicing, hunting, fishing, and a myriad of other outdoor recreational activities within the past year.

Preheating Tip
Preheat the oven only when necessary. Foods that take more than an hour to cook do not require a preheated oven.

THE HUDSON RIVER

When you've seen great ships sail into a broad river and make their way to the sea, you forget that every river has its source.

Far up in the Adirondack Mountains of northern New York a mountain stream tumbles its rocky way to the valley... so begins the mighty Hudson.

Human might and greatness are the same. They begin in a small way as the individual makes the right decisions, embraces the important values, chooses the course of his life.

A strong religious faith can go a long way in helping us find our true destiny. Christians believe as we worship together that what we are today is but a point along the way to what God intends us to become.

Next Grayling Adventure To Be Sunny California

On Thursday evening, February 28, the Grayling Community School Program will present its next film adventure of the season in the Grayling Holiday Inn. This next exciting full-color travel adventure will feature Mr. Bob Ditta and his film, "Suprising Southern California" a sun-filled, fun-filled journey that will allow travelogue viewers to escape the snow and cold for at least a few hours.

The geographic variety of Southern California is one of the most astonishing surprises. With Bob Ditta as your guide, you'll explore deserts, climb mountains, roam the beaches and wonder at the beauty of the valleys which this one region has to offer. You'll zoom in on different cultural extravaganzas like the Rose Parade, and the boat parade at Naples. You'll visit Danish Town in Solvang where you will have to convince yourself that you are not in Denmark.

During a short stop in Los

Angeles you'll stroll down historic Olivera Street, the oldest street in the city, where you will sample authentic Mexican delicacies at the sidewalk vendors. You'll pay a visit to Santa Barbara and San Diego, two coastal gems with miles of beautiful beaches. You will enjoy the incredible Renaissance Fair where through music, costume and setting you are able to step back into time. And of course, no visit to California is complete without a grand tour of the sites of famous Hollywood.

More information about this next exciting film adventure can be obtained by calling the Grayling Community School Office at 348-7641. Advanced tickets are also available there, however, tickets will be available at the door.

Sen. Levin's Aide Here Feb. 26

U.S. Senator Carl Levin (D-Mich.) has announced that Regional Representative, Chris De Witt, will be holding office hours in Missaukee, Kalkaska, and Crawford counties, Tuesday, February 26.

Office hours will be as follows:

Lake City-11:00-12:00 a.m. in the Missaukee County Building.
South Boardman-1:00-2:00 p.m. in the Boardman Community Township Hall.

Complete Testing 4th, 7th, 10th Graders

The Crawford AuSable Schools have recently completed testing fourth, seventh and tenth grade students in minimal Math and Reading State Objectives. The Michigan Department of Education requires this testing be done each Fall. Local educators feel this testing program provides one of several sources of information by which student progress in reading and mathematics can be evaluated.

When comparing the Crawford AuSable students with the State average, the Crawford AuSable students scored:

7.1% higher in the fourth grade on the attainment of Reading Objectives

6.4% higher in the fourth grade on the attainment of Math Objectives

0.9% lower in the seventh grade on the attainment of Reading Objectives

18.0% lower in the seventh grade on the attainment of Math Objectives

4.9% higher in the tenth grade on the attainment of Reading Objectives

6.9% lower in the tenth grade on the attainment of Math Objectives

IN MEMORY

In loving memory of husband, father, grandfather and great-grandfather, Charles Goodall, who passed away five years ago February 19, 1975.

At the end of a winding path of light a gate swings open wide, and there in the dusk as the twilight falls the traveler steps aside, but the gateway leads to a garden fair where the sunsets gleam we know, and the one we love will be happy there in the sunset afterglow.

Legal Notice

STATE OF MICHIGAN
In the District Court for
the County of Crawford
File No. LT-79-036
Cornell Realty, Inc., Plaintiff,
vs.
Harold Lee Mandrell and
Bonnie L. Mandrell, Defendants.

ORDER

Petitioners motion for an order allowing service of process by publication upon defendants, Harold Lee Mandrell and Bonnie L. Mandrell, having been heard, and affidavit filed in support of said motion having been considered, the court finds that service of process by publication provided for under DCR. 106 is necessary as the whereabouts of the defendant and their residence is unknown. That the defendants probably reside outside of the state; and that a summons and complaint has been returned showing that service of process cannot be made in the county where the defendants previously resided.

NOW THEREFORE, the defendants Harold Lee Mandrell and Bonnie L. Mandrell, are hereby notified that a civil action has been commenced against the defendants for forfeiture of a certain land contract dated April 16, 1976, between the parties hereto for the following described property, to-wit:

Lot Five (5), Flora Fauna, according to the plat thereof as recorded in Liber 4 of Plats, Page 18, Crawford County Records, Township of Grayling, Crawford County, Michigan.

AND THAT, if you desire to defend same, you are required to answer or take such other action as may be permitted by law with regard to the complaint filed against you, in the District Court for the County of Crawford on or before February 26, 1980 at 2:00 o'clock in the afternoon, if you fail to do so, judgement by default will be taken against you for the relief demanded in the complaint.

NOTICE OF MORTGAGE SALE

Default having been made in the terms and conditions of a certain mortgage made by Robert R. Bryan and Olive Bryan, husband and wife, of Harrison, Michigan 48825, Mortgagors, to the Grayling State Bank, a Michigan Corporation of Grayling, Michigan 49738, Mortgagee, dated May 18, 1977 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on the 25th day of May, 1977, in Liber 160 of Crawford County Register on page 137, on which mortgage there claims to be due at the date of this notice for principal and interest, the sum of Fourteen Thousand Nine Hundred Twenty Nine and 38/100 (\$14,929.38).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the April 2, 1980 at 10:00 in the forenoon, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at 9 1/2% per cent per annum and all legal costs, charges and expenses, including the Attorney fees allowed by law, and also any sum or sums including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows:

All that certain piece or parcel of land situate in the Township of Grayling, in the County of Crawford and State of Michigan, described as follows, to-wit:

Lots 11 and 12, Block 10, Hadley's Amended Addition to the City of Grayling, according to the Plat thereof as recorded in Liber 1 of Plats, page 8, Crawford County Records.

The redemption period shall be six months from the date of such sale.

Guest Speaker at Kirtland

Leslie D. Uren, a Management Principles instructor for General Motors Corporation/Education and Training Division, will be the guest speaker at a supervision/management seminar held at Kirtland Community College on February 23rd and March 1st.

Mr. Uren has a Bachelor degree in Business Administration and is working on his Masters Degree in Management and Supervision. He started at GM in 1966 as a college graduate in training and worked his way up to his present position in 1976. He has extensive experience in conducting management training seminars for first line supervisors at Chevrolet and is now a certified instructor to teach management principles to first and second line supervisors. Mr. Uren has also attended numerous management seminars at General Motors Institute in Flint dealing with the newest management concepts and practices being used throughout General Motors.

Cost for the Supervision/Management Seminar at Kirtland is \$39.00, which covers registration, instructional supplies and lunch. The class will meet in room 105-106 in the Student Center building at 8:30 a.m. for registration, with the program beginning at 9:00 a.m. (both days). For further information, contact the Student and Community Services Office at Kirtland at 517-275-5121, ext. 260.

You Can Help

Are you looking for a project to fill a little of your extra time now that the holiday rush is over? Something to do that is rewarding for you and also helpful to someone else? Something you can devote as much time to as you wish? Well, we have a project you can become involved in and feel good about! The Crawford AuSable Schools need Volunteer Aides. Men and women who are willing to help school children of kindergarten thru 5th grade level. Many Volunteer Aides have already helped during especially busy days. Volunteer Aides are also working daily in the Special Reading Room at the Grayling Elementary School. There is always a need for a friendly Volunteer who wants to help a child.

You may think that you can't help the school from home, but there again we have something for you to do. The "Campbell Soup Labels for Education" program is already in progress this year. To date, the Grayling Elementary School has over 26,617 labels. Their goal is 39,300 labels by Feb. 22. If they reach their goal they will add the following items to their library: 1 Cassette Player/Recorder; 1 Overhead Projector; 1 Pocket Cassette Player/Recorder; 1 Record Player; 1 Opaque Projector; 1 Mobile Cart. Frederic Elementary has already reached a total of approximately 7,000 labels. They also will be purchasing library equipment for the use of all the students.

You can help add this equipment by taking a minute to tear off the labels and save them from the following products: Campbell Soups, Campbell Tomato Juice, Campbell Bean Products, any Franco-American products, V-8 Vegetable Juice, and all Swanson canned products. You can bring your labels to either school office or to Central Office. You may even have a Grayling Elementary or Frederic Elementary child in your neighborhood who would be pleased to deliver them for you. Don't forget to turn in your labels before the Feb. 22nd deadline.

If you are interested in becoming a Volunteer Aide or have any questions about the program, please feel free to call Cheryl LaDuke at 348-7641 ex. 52.

The City Manager reported that one of the surplus voting machines has been sold and that he has an offer on the other two. This offer is for \$900.00 each.

Motion by Thompson, supported by Sabin that the two machines be sold to Doubleday Brothers for \$900.00 each. Ayes: 5, Nays: 0, motion carried.

Mr. Morford brought Council up to date on the Sanitary Sewer Evaluation Study. We still need to get the Hydrogeological Study back from the State in order to determine what needs to be done with the Lagoon System. Meetings with the engineers are scheduled.

Discussion took place on the advisability of purchasing a street sweeper, either a vacuum or mechanical.

Motion by Golinick, supported by Thompson that the City Manager be directed to obtain prices on a new sweeper of both types and report back. Ayes: 5, Nays: 0, motion carried.

Possible purchase of litter containers for the downtown area was discussed. The City Manager indicated that he felt it necessary to purchase approximately twenty of these units. He so recommended.

Motion by Westervelt, supported by Thompson that the City Manager be authorized to purchase twenty litter containers. Ayes: 5, Nays: 0, motion carried.

The City Manager presented some documents necessary to the UDAG Grant for RDI, Inc. which were in need of Council action.

Motion by Golinick, seconded by Westervelt, that Gordon Thompson, Jerry W. Morford and Allen V. Schreiner be authorized to sign payment vouchers on Letter of Credit on behalf of Urban Development Action Grant No. B-79-AB-26-0018, recipient, City of Grayling.

Ayes: Golinick, Thompson, Westervelt, Failing and Sabin.
Nays: None
Absent: None, motion carried.

New Business
The City Manager presented to Council an outline of the proposed 1980 Street Construction Program. The basic program would be Madison Street from State to the City limit and Lawndale from M-72 to Madison Street. The engineers are presently working on the detailed plans.

Motion by Thompson, supported by Failing that R.S. Scott Co. be authorized to proceed with plans and prepare bid documents for the 1980 Street Program, as outlined. Ayes: 5, Nays: 0, motion carried.

Mr. Morford presented an Invoice from R.S. Scott Co. in amount of \$3,013.99 for preliminary engineering on 1980 Street Program.

Motion by Thompson, supported by Westervelt that the invoice be paid. Ayes: 5, Nays: 0, motion carried.

Sale of surplus City equipment was discussed. The City Manager requested Council permission to dispose of any surplus equipment with a value of less than \$100.00.

Motion by Westervelt, supported by Failing that the City Manager be authorized to dispose of low value (less than \$100.00) surplus equipment without going through the bid process. Ayes: 5, Nays: 0, motion carried.

Discussion took place concerning the sale of some surplus City real property. The property is approximately 6.5 acres.

Reports of Councilmen
Mr. Failing asked about possible paving of the end of Peninsular Street. Mr. Morford stated that it could be done this summer but not as part of our Street Program.

Reports of City Manager
Mr. Morford reported on the following:
Meeting with several officials regarding the old DNR Fire Station Property for cemetery expansion.

Various published articles re: Industrial growth in Grayling.
Letter from Scheer Motors re: Vandalism
Several Legislative matters.
Campaign finance reporting laws.

MML Legislative Conference February 28, 1980.
NEMEDA meeting February 5, 1980.
Industrial and area survey by the Michigan Department of Labor.
Adjournment

Motion by Golinick, supported by Failing that the meeting be adjourned. Ayes: 5, Nays: 0, motion carried.

The meeting was adjourned at 9:15 p.m.

Solo & Ensemble Results

On Saturday, February 2nd, Grayling sent eight representatives to Gaylord to perform in the MSBOA District 2 Solo & Ensembles. The students fared well as five came back with a I Division rating, and three earned a II Division rating.

Receiving a II Division rating were Gerry Johnson, clarinet; George Morse, cornet; and Jay Schrader, snare drum. Receiving a I Division rating were Marian Matyn, clarinet; Shawna Watters, french horn; Sue Prause, flute; Jim Kitch, trombone, and Sue Weeber, flute.

The five are now eligible to perform at the State Festival. All eight students worked hard and should be congratulated for a job well done.

Bits O'Talk

by Fay Boeve

Larry and Carole Gust and Clyde and Deanne Weiss returned last week from an 8-day vacation to Hawaii with the Monroe Distributing group tour. They stayed at Waikiki, toured the island of Oahu and played some golf and report a very good time with excellent weather.

The Melvin Nunn family were in Big Rapids weekend before last when they went to visit their daughter, Penny, who is a student at Ferris. Penny is a member of the Ferris choir and the Nunn family went to attend the performance of a Gilbert & Sullivan operetta, "Princess Ida" put on by the choir.

Norval and Tressa Stephan flew in from Florida to be in attendance at the wedding of the daughter of Jo and Mary Jane Jorgenson in Detroit. Norval took part in the marriage ceremony and Tressa was soloist. They arrived on February 2 and the following day were met in Flint at the home of Jeff Fowler and family by Bernie and Pat Fowler. On their return to Florida Mrs. Florence Stephan accompanied them to stay for a while.

Mrs. Gail Vaughn and daughter Nichole, and Gail's fiancé, Rod Ney, all of Austin Texas, visited her parents, Bernie and Pat Fowler at Edgewater, and also accompanied them to Flint to visit with the rest of the family. Gail and Rod will be married in May in Austin.

Nancy and Bill Cox were pleasantly surprised on Sunday, Feb. 17th when several friends and family met at their house for a late afternoon supper to observe their 25th Wedding Anniversary, which falls on Feb. 19th. Nancy's sister, Judy Sorenson, was here from Saginaw to supervise the affair.

Imagine This
If you are an average pickling American, you're going to eat nine pounds of pickles this year. It is estimated that 23 billion pickles will be consumed in this country during the coming year.

CARD OF THANKS

I wish to express my thanks to my family and friends who remembered me with thoughts, prayers, cards & gifts during my recent surgery at Mercy Hospital.

Also thanks to Dr. Rosi and Dr. Blaha and all the nurses and aids for making me as comfortable as possible. Thank you again for the real good care.
